STATE/TERRITORY SPECIFIC INFORMATION FOR UMA PROGRAMS

STATE/TERRITORY SPECIFIC INFORMATION FOR UMA CLEARWATER PROGRAMS

Ultimate Medical Academy's Clearwater campus is Licensed by Means of Accreditation by the Commission for Independent Education. Students enrolled at the Clearwater campus must be located in Florida. It is important that students are aware of the state/territory requirements for enrollment and employment. Requirements vary by state. The student's physical location is determined at the time of enrollment based on the physical location/address provided by the student. UMA bases its determination of the student location through the student's self-disclosure on the enrollment agreement.

Therefore, students are required to notify UMA in the student portal (Puma Den) and request authorization if they plan to move to or intend to work in any other state/territory following enrollment. Students who do not notify UMA prior to moving into another state/territory may be officially withdrawn from the program. These policies are consistently applied to all students.

STATE/TERRITORY SPECIFIC INFORMATION FOR UMA ONLINE PROGRAMS

It is important that UMA online students are aware of their state/territory requirements for enrollment and employment. Requirements vary by state/territory. The student's physical location is determined at the time of enrollment based on the physical location/address provided by the student. UMA bases its determination of the student location through the student's self-disclosure on the enrollment agreement.

Therefore, students are required to notify UMA in the student portal (Puma Den) and request authorization if they plan to move to or intend to work in any other state/territory following enrollment. Students who do not notify UMA prior to moving into a non-enrollment state/territory may be officially withdrawn from the program. These policies are consistently applied to all students.

The following section contains important, state/territory specific information to be disclosed to residents of these states who are either potential or current UMA students.

**Addendum for Admissions
(General Admissions Requirements)
Effective January 10, 2024**

Page 33 (Revision)

GENERAL ADMISSIONS REQUIREMENTS

Prior to enrollment, prospective students must meet the following requirements:

- Successfully completed a valid high school or equivalent, as described in additional detail below.
- Be proficient in verbal and written English. All programs are conducted in the English language.

- Be beyond the age of compulsory school attendance in the state in which the institution is located (Florida).
- Interview with admissions prior to provisional or official registration, meet all necessary admission requirements, complete all required admission documents, participate in orientation prior to the start of the program, and attend a financial aid appointment.
- Students must successfully complete the Provisional Registration Period to officially register and be enrolled in their program.
- Satisfactorily complete a Level I background check by the eighth calendar day after the start except for students enrolled in the Patient Care Technician and Nursing Assistant programs at the Clearwater campus. Whether the student has satisfactorily completed is in the sole discretion of UMA. Please refer to the Additional Admissions Requirements/Specific Program Information section in this catalog. Students may be cancelled/withdrawn if results are determined by UMA to be unsatisfactory.
 - Satisfactorily complete a Level II background check prior to the last day of the student's provisional enrollment period for students enrolled in the Patient Care Technician and Nursing Assistant programs. Students will be cancelled/withdrawn if results are determined by UMA to be unsatisfactory.
 - Background check requirements may, at UMA's discretion, be waived for students who are enrolled through an employer partner or students transferring programs unless listed in the Additional Admissions Requirements/Specific Program Information section in this catalog.

To satisfy the enrollment requirement regarding valid high school completion, prospective students must meet one of the following requirements:

- Be a high school graduate from a valid high school with a standard diploma or equivalent or have been officially home-schooled. UMA does not accept special diplomas or equivalent.
- Possess a General Education Development (GED) certificate
- Successfully complete the High School Equivalency Test (HiSET) or the Test Assessing Secondary Completion (TASC)
- Possess a State certificate after passing other State-authorized examinations that a State recognizes as the equivalent of a high school diploma
- A copy of a student's DD Form 214 Certificate of Release or Discharge from Active Duty (commonly referred to as a DD-214), may serve as alternative documentation to verify high school completion if it indicates that the individual is a high school graduate or equivalent.

Students who completed secondary education in a foreign country and are unable to obtain a copy of their high school diploma or transcript may document their high school completion status by obtaining a copy of a "secondary school leaving certificate" (or other similar document) through the appropriate central government agency (e.g., a Ministry of Education) of the country where the secondary education was completed. UMA will use a foreign credential evaluation service to determine whether the foreign secondary school credentials are the equivalent of secondary education in the United States.

All prospective students must complete an Attestation of High School Graduation or Equivalent form prior to acceptance for enrollment by UMA. In addition, UMA will select students for a proof of high school verification and validation review. Selected students must submit proof of having earned a high school diploma or equivalent within 30 days of receiving a request for such documentation from UMA.

Diplomas and transcripts from foreign institutions require translation and evaluation. Foreign transcripts must be sent by UMA to an approved translation service. To be deemed acceptable, a translation and equivalency certification from an official service must be received within 60 days from the student's start date.

In addition to the general admission requirements and procedures, please refer to the UMA Orientation and Technical Requirements and Additional Admissions Requirements/Specific Program Information sections in this catalog. Students re-entering into the same program at UMA after being cancelled or withdrawn are required to identify a payment method by completing a financial plan with UMA's Student Finance department by the end of the student's first course in the re-entered program. Tuition and fees for all programs are listed in the Tuition and Fees section at the end of this catalog.

**Addendum for Admissions
(External Transfer Credit for Previous Education)
Effective February 27, 2024**

Pages 39 - 41 (Replacement)

EXTERNAL TRANSFER CREDIT FOR PREVIOUS EDUCATION

UMA does not guarantee transfer of credits from UMA to another institution or from another institution to UMA. All potential credits are reviewed on a case-by-case basis and accepted credits are awarded at the discretion of UMA. UMA reserves the right to limit the age of transferable credits:

- Credits earned at another institution more than three years ago generally will not be accepted for UMA core credits or UMA technology courses.
- UMA reserves the right to waive any requirements or require additional proof of mastery through skill demonstrations.
- Students must complete a minimum of 30% of the total credits in the program for which they are enrolled at UMA.

Students who previously attended UMA or another college/school/university may request a transcript evaluation to determine if any of the credits earned transfer to the student's current program of study at UMA. The student should contact the Registrar's Office at transfercredit@ultimatemedical.edu to discuss possible transfer credits.

Students applying for credit in any of the categories described below must submit official transcripts to the Registrar. Official transcripts may not be issued to the student and must be sent to:

Ultimate Medical Academy
Attention: Registrar Operations
9309 N. Florida Ave.
Tampa, FL 33612

Course descriptions and other supporting documentation may be required. Students are responsible for requesting their official transcripts and paying any required fees as required by their prior institutions. Upon review and approval, UMA grants appropriate credit and notifies students within 30 days.

UMA requires that all foreign transcripts and any transcript in a language other than English be processed for translation and evaluation by an organization recognized by the National Association of Credential Evaluation Services (NACES), Association of International Credential Evaluators (AICE) and/or American Association of Collegiate Registrars and Admissions Officers (AACRAO).

UMA considers previous education for transfer credit from the following sources:

1. Advanced Placement Courses approved by the College Board
2. DANTES Subject Standardized Tests (DSSTs)
3. CLEP credits that meet minimum ETS or ACE scores
4. Military training approved by ACE
5. Postsecondary institutions that are accredited by an accrediting agency recognized by the U.S. Department of Education or CHEA (Council for Higher Education Accreditation)
6. Organizations that are members of the National Association of Credential Evaluation Services (NACES) or Association of International Credential Evaluators, Inc. (AICE) and/or American Association of Collegiate Registrars and Admissions Officers (AACRAO)

For students seeking transfer credits from courses taken outside of UMA, these credits must have been earned with a grade of "C" or higher. The transfer-of-credit award is based on a five-level transcript analysis conducted by course level, title and number of credits, course objectives and course description. Course credits are granted only in semester credit hours. If a transcript contains quarter hours, the quarter hours are divided by 1.5 to obtain semester credit hours. Partial hours are not rounded up. Students granted transfer credit for courses taken outside of UMA will be awarded a grade of "TC."

External transfer credits do not affect a student's Cumulative Grade Point Average (CGPA); however, they do affect a student's Pace of Progress (POP) and Maximum Time Frame (MTF). Please see the Satisfactory Academic Progress (SAP) section of this catalog, and specifically the Grade Identification and Related Impact on SAP Elements chart, for more information, and note that internal transfer credits are treated differently for purposes of SAP than external transfer credits.

UMA maintains a signed, written record of transfer credit granted for previous education by Registrar. Notification is sent to the student regarding the outcome of the transfer credit evaluation. If transfer credit is awarded, notification is sent to the Student Finance department.

UMA does not offer any achievement testing.

OFFICIAL TRANSCRIPT POLICY FOR STUDENTS USING VA BENEFITS

Students using veterans' education benefits will be contacted by the School Certifying Official to complete the Postsecondary Education (Military Only) form. This form serves as authorization for UMA to obtain military transcripts through the Joint Services Transcript System (JST). Students utilizing veterans' education benefits are required to submit official transcripts from all previously attended institutions to the Registrar's Office no later than the end of the first module from the start of the program. Failure to submit official transcripts from all institutions identified on the Postsecondary Education (Military Students Only) form will result in a termination of the student's veterans' educational benefits. If official transcripts cannot be obtained by the end of the first module from the start of the program, the student may request an extension by emailing militaryaffairs@ultimatemedical.edu. The extension cannot exceed the end of the student's second semester/payment period of the student's enrollment. Refusal to submit official transcripts will result in an immediate termination of the student's veterans' educational benefits. Within 30 days of the receipt of official transcripts, the Registrar's office will issue an evaluation of transfer credits.
