CHILDREN OF FALLEN HEROES SCHOLARSHIP ACT

Under this scholarship, beginning with the 2018-2019 award year, a Pell-eligible student whose parent or guardian died in the line of duty while performing as a public safety officer can receive a maximum Pell Grant for the award year for which the determination of eligibility is made.

To qualify for this scholarship, a student must be Pell-eligible, have a Pell-eligible EFC, and be less than 24 years of age or enrolled at an institution of higher education at the time of his or her parent’s or guardian’s death. In subsequent award years, the student continues to be eligible for the scholarship, as long as the student has a Pell-eligible EFC and continues to be an eligible student.

Addendum for Student Financial Assistance
(Institutional Aid)
Effective April 4, 2022

Pages 58 - 60 (Deletion)
The Academic Success Grant is discontinued beginning with the May 2, 2022, start date.

Addendum for Student Financial Assistance
(Institutional Aid)
Effective May 17, 2022

Page 61 (Replacement)
The Externship Success Grant’s intention is to assist students to overcome obstacles that may prevent them from completing their onsite externship/practicum hours. UMA students who certify such obstacles are eligible for the Externship Success Grant to cover or defray qualifying expenses if they are currently responsive to student outreach by members of the UMA staff and actively engaged in pursuing externships/practicums or externship/practicum opportunities to complete their chosen program of study at UMA.

The Externship Success Grant is available to students who are enrolled in UMA’s programs requiring externship/practicum (NA, PCT, DAEF, MA, PHL, HIT, HIM or HS-PHT) and who meet specific eligibility requirements. The resources support under the Externship Success Grant may not exceed $3,000 per student. Additionally, the combination of Externship Success Grant funding and placement obstacle funding from UMA’s Career Services Department available to the same individual once he or she graduates cannot total more than $5,000 for any individual student/graduate. The resource support under the Externship Success Grant may not exceed $1000 for the Nursing Assistant and Phlebotomy Technician programs.

For any request for a resource to be provided, the student is required to complete an Externship Success Grant application that is submitted for three levels of approval (referred to as the Resources Committee).

Eligibility Criteria

- The student must be a student enrolled in an eligible UMA program (NA, PCT, DAEF, MA, PHL, HIT, HIM or HS-PHT).
- The student must be actively (responsive to outreach within 48 hours) working with their assigned Externship Coordinator to secure a practicum/externship site.
- The student must have a barrier to externship completion that is caused by a qualifying expense, i.e., an expense that is appropriate for UMA to help cover or defray and for which UMA can make payment directly to a third party.
- The student must complete the Externship Success Grant application, including indicating acceptable essential expenses that are causing the hardship.
• If the request is approved by the Resources Committee, the student must provide UMA with the appropriate vendor/provider information for payment processing.

• Once the resource is provided, the student must start, continue, and complete their externship/practicum hours without interruption (such as from withdrawal or dismissal from the program or site) to be eligible for future resources.
  
  o Dismissal from the program or site due to behavioral or ethical circumstances may result in automatic suspension of current and future resources.
